MARVA COLLINS VISITS MADISON

Speaking to an assembly of Madison students on October 26, Ms. Marva Collins said she is known because she set goals for herself long ago.

As a child growing up in a racist Alabama town, she decided her name would one day be known. She began working at an early age to make that happen.

Today, Collins operates the Westside Preparatory School in Chicago. She tells her students the same thing she said to the students at James Madison.

"It is a sin not to set goals," Collins said. "There is no dishonor if high goals are not always reached, but it is unacceptable to not even try. Average won't do it." Collins' message is that a positive self image and high aspirations coupled with old-fashioned effort are essential for everyone.

AFRO-AMERICAN HERITAGE PROGRAM

Dallas County Commissioner, John Wiley Price, and KDFW-TV Host Juana Hart were guest speakers at the African American Heritage Program held in observance of Afro-American Month. Addressing the issues of the value of education and the importance of accepting a heritage, the speakers informed and entertained a captive audience using words of wisdom and anecdotes. Negro spirituals were rendered by the Concert Choir, and special recognition was given to winners of the Afro-American History contest. The occasion provided a means for commemorating Afro-American History Month and for promoting student involvement through the opportunity of expressing the theme, "Keep the Dream Alive!"

SWEETHEART BALL

In the traditional decor of red and white hearts, sweet, tasty treats and light-hearted spirits, Madison students enjoyed a night under Cupid's spell. The annual Sweetheart Ball sponsored by the senior class was an evening of splendor enjoyed by all. As contestants vying for the titles of Miss and Mister Sweetheart awaited the announcement, other Trojans danced to the romantic tunes of a popular D.J. crew or sampled the delicacies prepared for the occasion.

TROJANS ON THE MOVE

The Madison Concert Choir prepares to sing the National Anthem for the opening of the Virginia Slims of Dallas Series at Moody Coliseum, SMU campus.

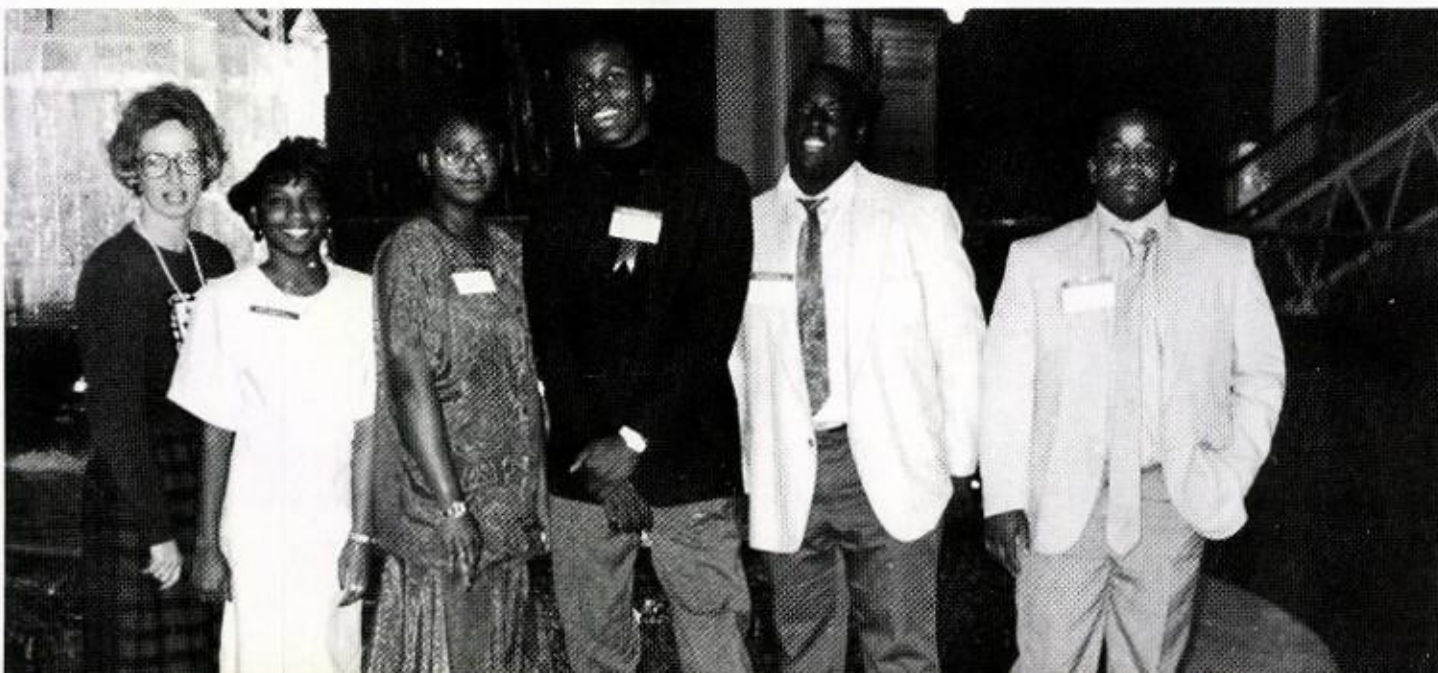

In traditional position of honor, the choir leads the tennis spectators in the nation's song. Choir members under the direction of Antony Jackson, and chaperones were rewarded for their services with fashionable T-Shirts marking the occasion.

Madison students cheerfully discuss the play, "The Depot," which focused on the reality and dangers of nuclear arms and nuclear war. The group of viewers stand outside the SMU Student Center where the presentation took place.

FASHIONS AND FADS '87-'88

Today's Madison students are stepping out in all kinds of modern fashions. They are keeping the top brand fad alive, styling Fila, Adidas, Nike, Cadillac and the list goes on. They have their own ways of dressing from footwear to hairstyles. In fact, the Trojans have created a unique style that is totally "legit." Scope the pages of fashions and fads to see "the Trojan look."

SPORTS

Whether we are jumping to the rafters inside a gym or swaying to the breeze outside in a stadium . . . girls or guys . . . day or night . . . in Dallas or out of town . . . the James Madison High School athletic teams draw large crowds of spectators and broad smiles from participants.

VARSITY FOOTBALL

The Madison Trojan football team, in its rebuilding year, had three wins and seven losses. The team had three spectacular games this year. The most exciting one was probably our 36-6 win over Woodrow Wilson in the Cotton Bowl on High School Fair Day. Frederick Baker proved he is one of the best running backs in Texas high school football by scoring three touchdowns and gaining 185 yards. Also, Tony Peters surfaced as a very talented young athlete. He threw three touchdown passes. With players like these returning, the Trojans plan to be much more competitive in the coming year.

On the line and ready to go in the Madison vs. Lincoln game.

JUNIOR VARSITY FOOTBALL

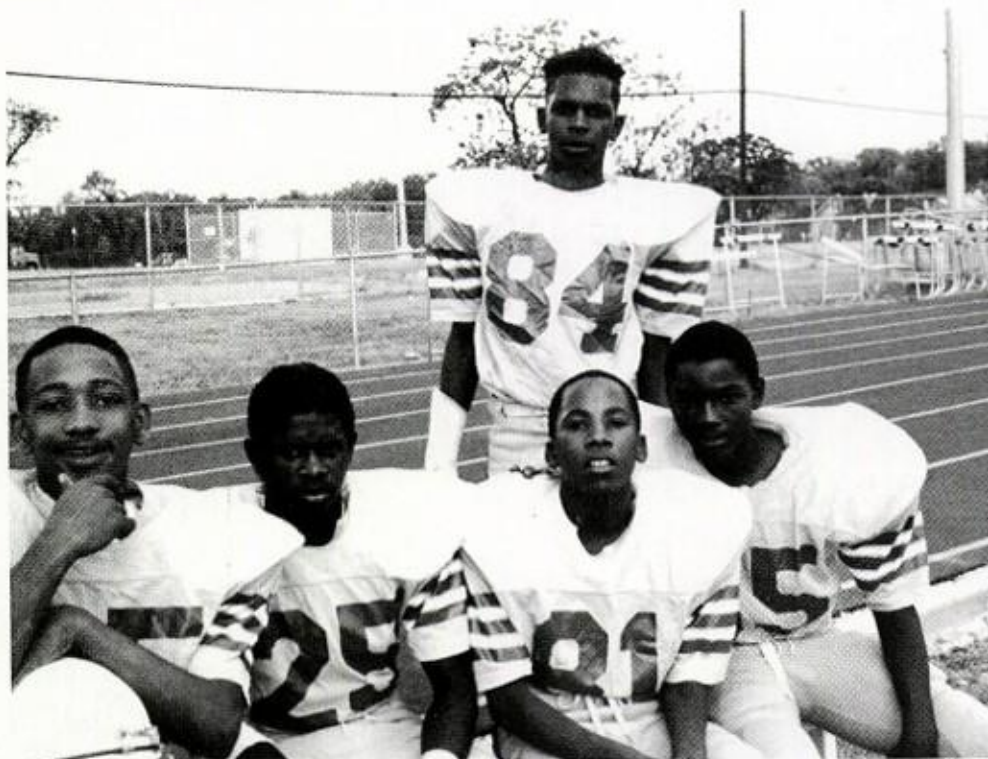

Madison's Boys Junior Varsity Football team experienced a roller-coaster season ending with a record of four wins, one tie, and five losses. The team of youthful developing freshmen and sophomores gave it their all as they met opponents on weekday evenings, usually to only a meager crowd. Hats off to Coach Eric Johnson, his assistants and his mighty Trojan squad for a hard-hitting season of football.

BOYS VARSITY BASKETBALL

The Trojan Boys Varsity Basketball Team rallied a fantastic season with 15 wins and 8 losses. The district record was 10 wins and only 2 losses. The team defeated Paris H.S. to become bi-district champs (68-60), but lost to Wilmer-Hutchins (79-65) in the area playoffs. Players nominated for the All-District team were Eric Lynch, Alfred Naulls, and Frederick Hunter. All-District Honorable Mention nominees were Tony Peters, Derrick Smith, and Burton Sayles. High performance players included Frederick Hunter, leading scorer (22.2 points per game), Alfred Naulls, leading rebounder (8.1 per game) and leading assistant (10 points per game). The diligent efforts of all the players and coaches lead Madison to a winning season. Congratulations for a job well done!

Coach Kidd practiced his players hard and long for many hours after school. He wanted to make sure each player knew the game plays, was sharp with the basic skills of basketball, and felt confident that the team could win.

Team players take turns making baskets, lay-ups, goal-hangers, free-throws, netters, even a few half-court field goals are all techniques of the game of basketball. The Trojans perform them best!

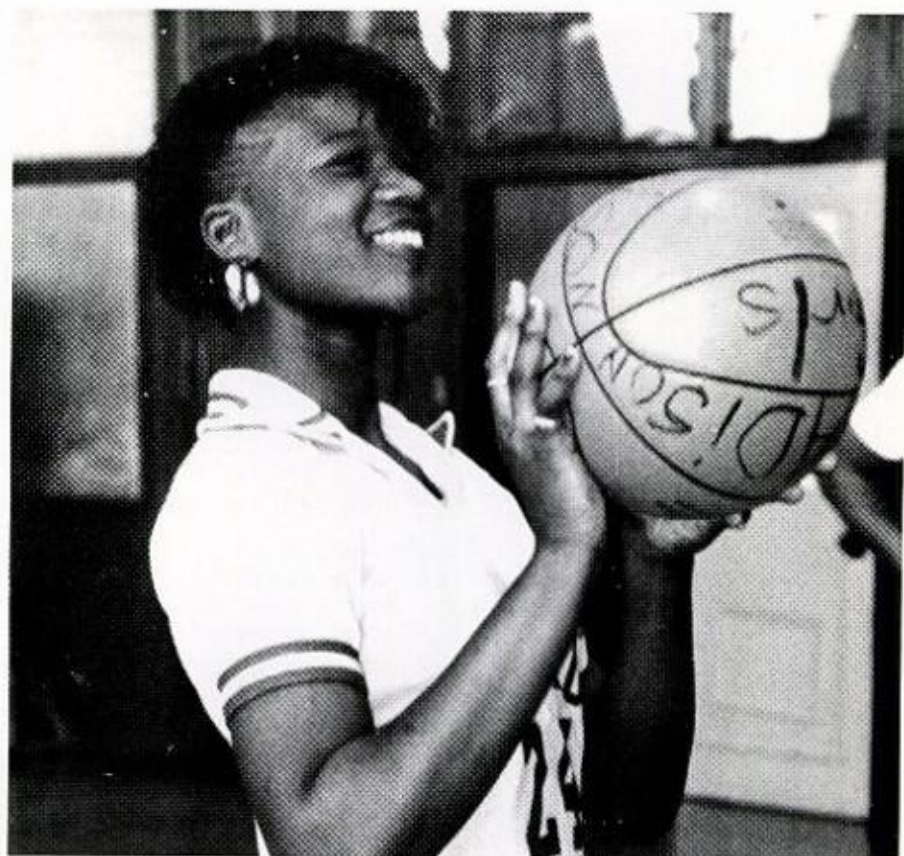

GIRLS BASKETBALL

GIRLS TRACK

Members of the Lady Trojans Track Team actively participated in all of the scheduled track meets of the 87-88 season. The team did not make the headlines for breaking records, but Madison was notably recognized in several track and field events, such the girls cross-country run. Coach James Mitchell and the Lady Trojan tracksters have no regrets as they look back on their past season of effort and dedication.

GOLF

Madison did not have a golf team for the 1987-88 school year, but several students showed an interest in the sport. When the opportunity to attend a golf clinic arose, Madison was well represented.

TROJANETTE DRILL TEAM

The Madison Trojanette Drill Team performs a lively march-dance routine during the South Dallas Super Bowl Parade. The Drill Team was also featured at the half-time activities of the classic match up between friendly rivals, Lincoln Tigers and Madison Trojans. Drill team members prepare for participation in such festive events by enduring long periods of practice before and after school and by attending summer clinics to keep themselves in high-stepping form.

Drill team sponsor Beverly Forges poses on the steps of Madison with some of the spirited drill team leaders: (top) Shawanna Presley, Aretha Acy, Tanisha Warren, (middle) Monica Jefferson, Katrina Glenn, Sheila Brock, (bottom) Sheila Jones and Kim Weaver

Drill Team members seldom get the chance to be just spectators at the game. Here the Trojanettes display a hand-grabbing, hip-swaying number while decked out in their fashionable western attire. Eyes are on the three future Trojans.

A charming foursome of Drill Team members pose outside Dallas City Hall before the start of the Martin Luther King, Jr. Parade.

TROJAN MARCHING BAND

The James Madison High School Trojan Marching Band, although small in number, draws a large crowd of spectators whenever it performs. Under the direction of Mr. Maurice Holmes, the band has developed into a wholesome musical unit that has proudly represented Madison in parades, half-time performances, UIL competitions, and school assemblies.

Pictured here is the Trojan Band (top left) marching in the Martin Luther King, Jr. Birthday Parade held in February. Banner carriers are left to right: Atari Anderson, Melinda Mitchell, and Darlet McDuff.

Drummer Chancelor Springs (middle left) demonstrates his rhythmic skills prior to a band practice session.

Mr. Holmes clears the way (middle right) for his flag-bearers and band members as they perform in the South Dallas Super Bowl parade. Senior Kim Kerr, drum majorette, leads the band while keeping in step and playing her clarinet at the same time.

(Bottom, left and right) Standing tall! Sweet sounding music! The Madison Trojan Band plays on — standing still or marching down the boulevard — they make us feel proud!

BEST DESCRIBES THE CLASS OF 8

Senior class members participated in Homecoming Week activities.

HOMECOMING 1984-85

This school year featured the election of a Homecoming queen and court from all class levels. (Above) The newly crowned Homecoming queen, freshman Keshia Brown posed with mother and escort (right).

Representing the Senior class was Sherry Walker with Cadet Jimmy Hood.

Cadet Douglas Aycock escorted Miss Junior, Triesha McQueen. Queens pose proudly (Below) as they are presented during half-time.

The Miss Madison Pageant was a spectacular event. Seniors Yvette Alridge and Robert Johnson served as mistress and master of ceremonies respectively.

Schronda Johnson, won the title of Miss Madison and is shown (Right) being presented a trophy by Asst. Principal Jones and a bouquet of roses.

(Below) Finalists Bridgett Phillips (left) and LaWonza Spence (right) stand with newly crowned Miss Madison. Escorts were members of the Esquire Key Club.

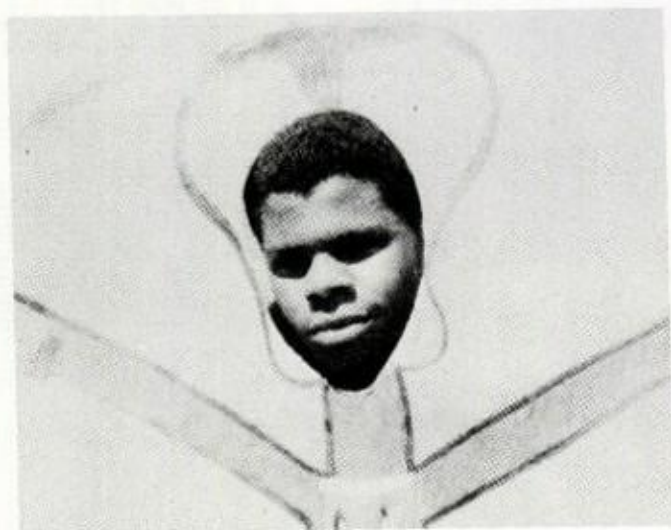

TALENT SHOW

The Trojans go all out when there is talent to be displayed. (Top Left) Trio of coaches show what they can do, while a local band provides backup for singers. Melodie and Kim mc'd.

SPRING CARNIVAL

For a couple of years, a feature of the spring semester has been the Spring Carnival. Student organizations and faculty members teamed up to provide a variety of attractions such as a dunking booth, a dart throw booth, athletic competitions, and food concessions. Scenes from the carnival show workers readying for the crowd of anxious Madison students and community youngsters. This affair has been profitable and entertaining each time . . . fun, fun fun!

WE GAVE

Throughout the years, Madison students have proven themselves to be willing, capable, daring, enduring, and caring. (Above) Students donate blood courageously, and (Below) students dons MADISON LOOK!

WE GOT INVOLVED

WE SURVIVED THE YEAR OF CHANGE

1985-86 YEAR OF ACCEPTANCE

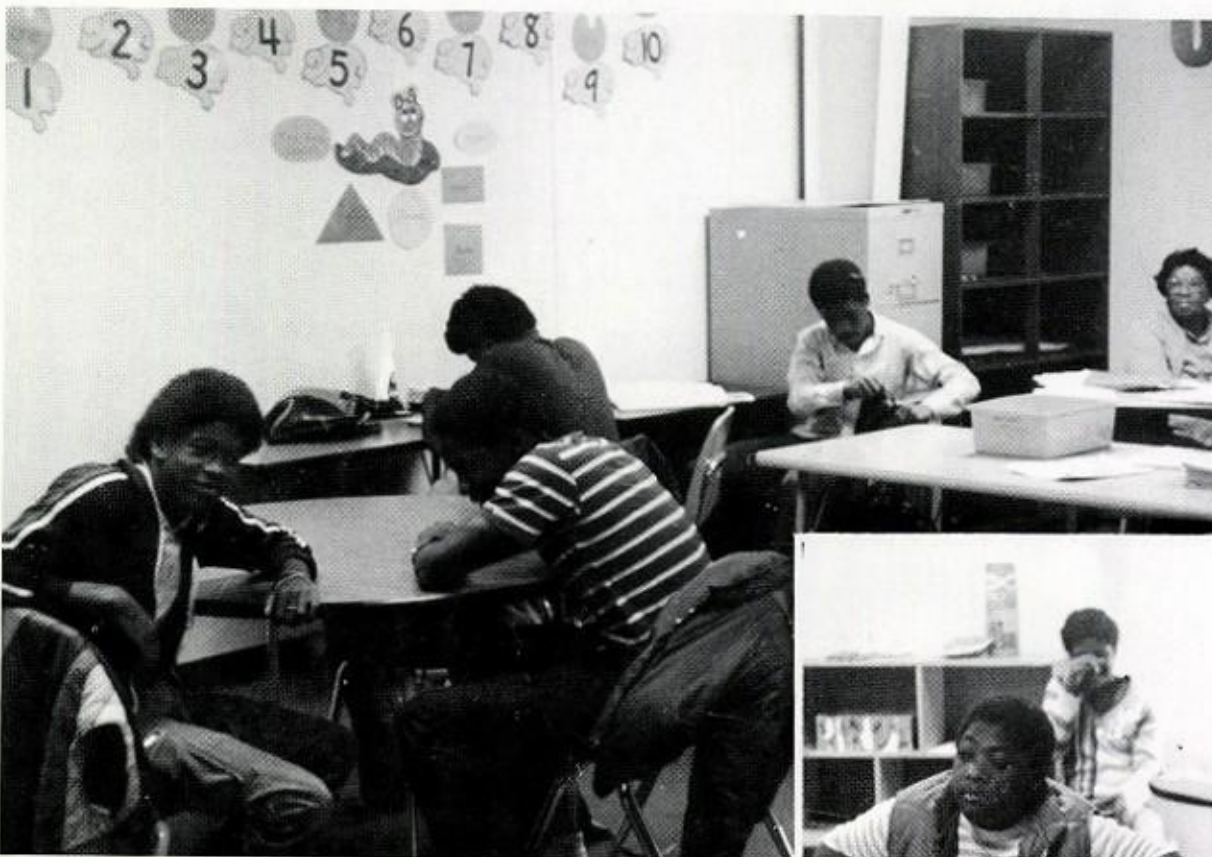

The 1985-86 school year forced Madison to accept changes . . . no more grade of "D" . . . no pass, no play rule in extra-curricular activities . . . TEAMS testing piloted . . . in spite of this, Madison still grew. We still participated and strived on for excellence.

(Left) Madison alumni returned to their alma mater to visit and to offer help.

(Above) Kim Williams reigned as Miss Madison.

Principal Lee (Below) filled in for Mr. Toles.

Madison housed a portable learning facility for mentally handicapped students. This experience was educational for everyone on campus . . . total acceptance.

The changes in policy that were thrust upon us could have overwhelmed the Madison family. Instead we accepted the inevitable, toughened, and climbed on, looking back only to reflect.

The Madison Trojans continued to excel in sports. Members of the football team wore school colors proudly.

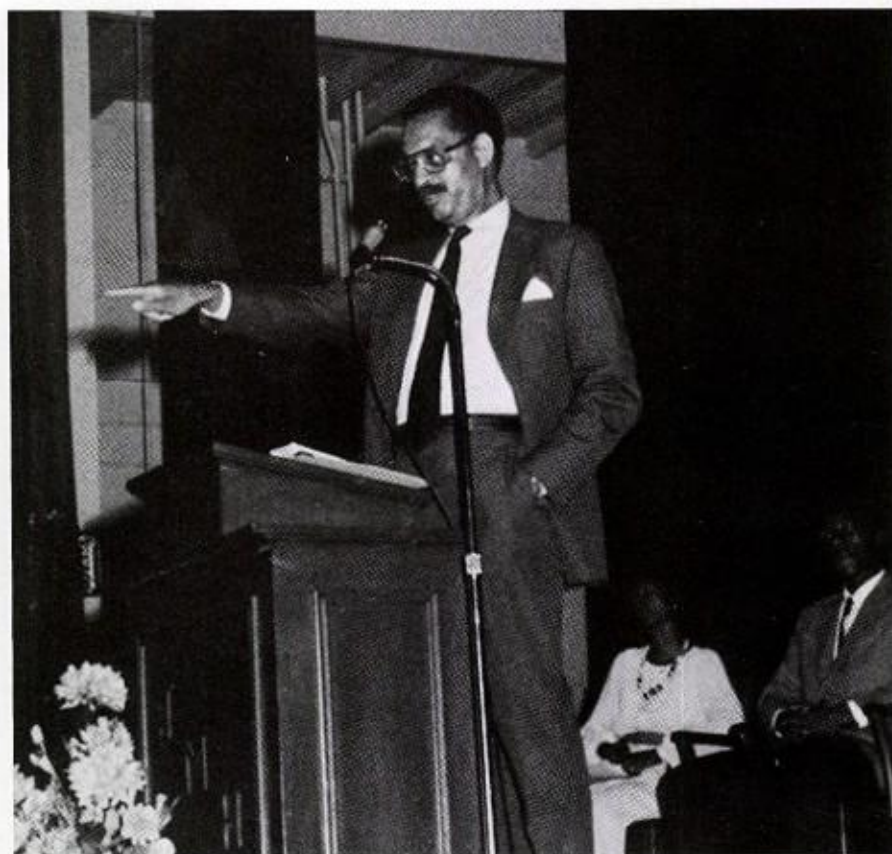

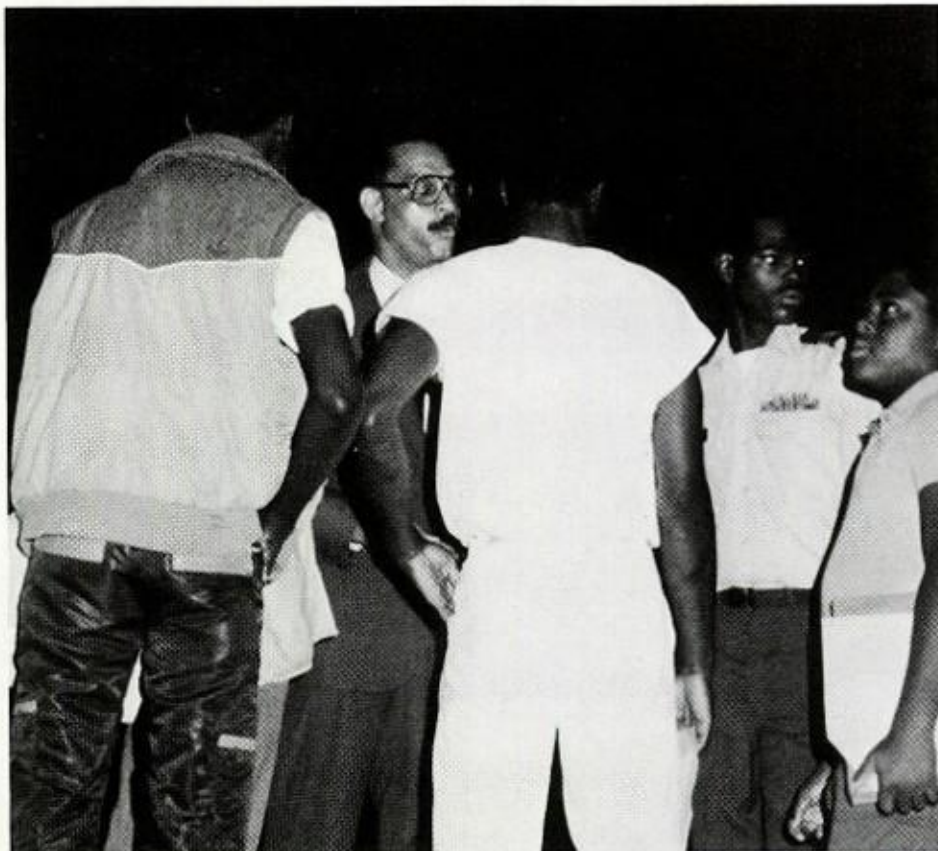

Members of the Trojan Marching Band and the JROTC program demonstrated their desire to maintain their positions of honor in their organizations by working hard and standing tall.

The Madison Concert Choir did not falter in its effort to produce high quality performances when the occasions arose. Mr. Antony Jackson, in his second year as director, groomed his choristers to sing, look, and act professionally.

1986-87 YEAR OF REDEDICATION

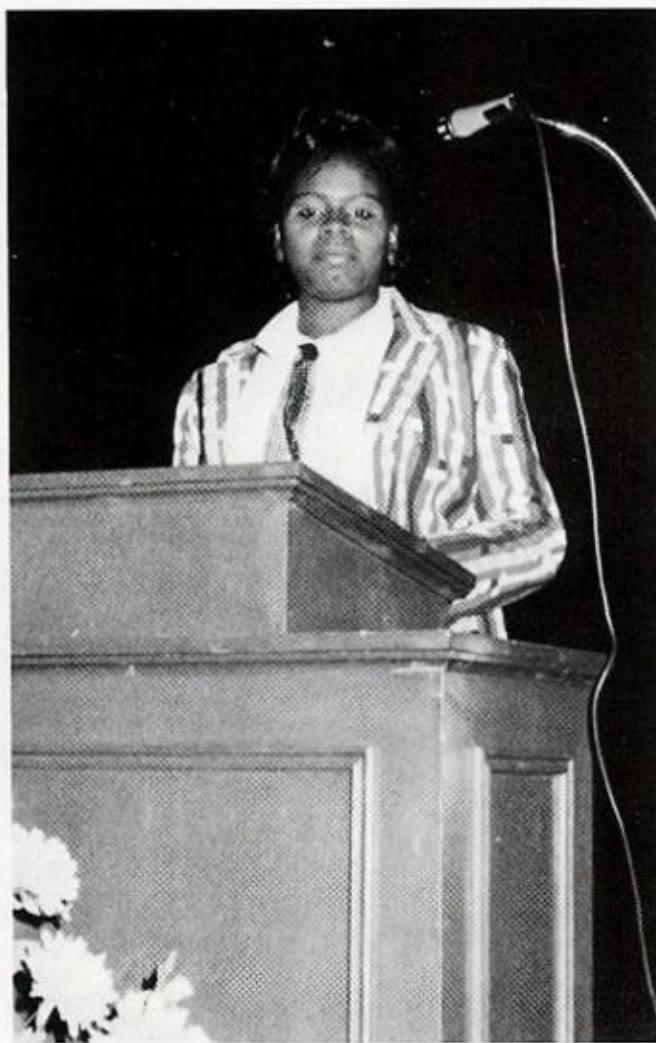

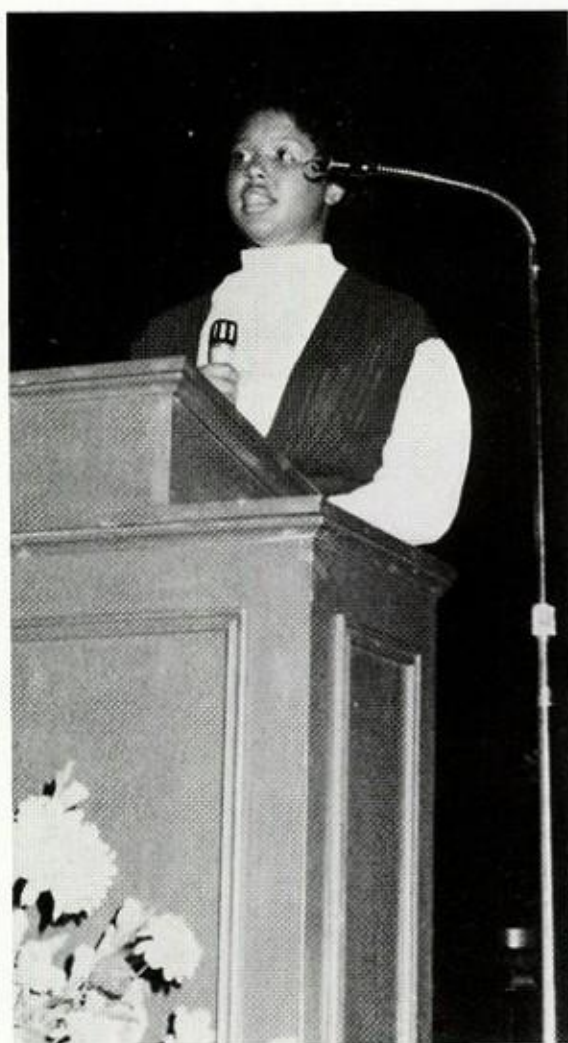

The need to commit ourselves to academic excellence was always apparent at Madison. This year seemed to be the right time to rededicate ourselves to achieving that goal.

Former educator and entrepreneur, Marvin Robinson, (Above) addressed an assembly of Madison student body, faculty and staff reaffirming the need for commitment to education.

(Left) Mr. Robinson meets with a group of inquiring students following the assembly.

Program participants were vocalist LaFonda Neal (left), LaConna Looney, (middle), and Andronica Leonard (right).

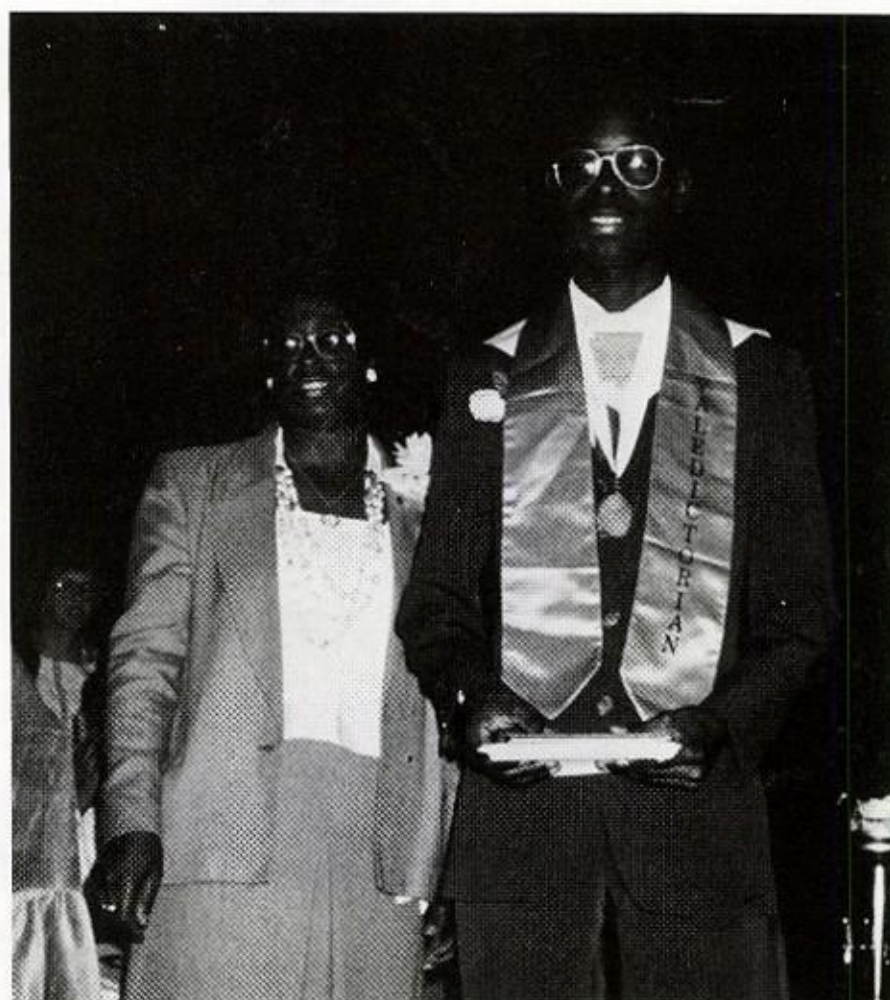

A special assembly was held in the fall of the school year to initiate a year-long series of activities bearing the theme of "Rededication — Come With Us To Mount Olympus." Under the auspices of the Madison Support Group (a group of concerned citizens of the black community, businesses, and organizations headed by DISD Board member, Kathlyn Gilliam) a positive tone was set.

“WE’RE ON OUR WAY”

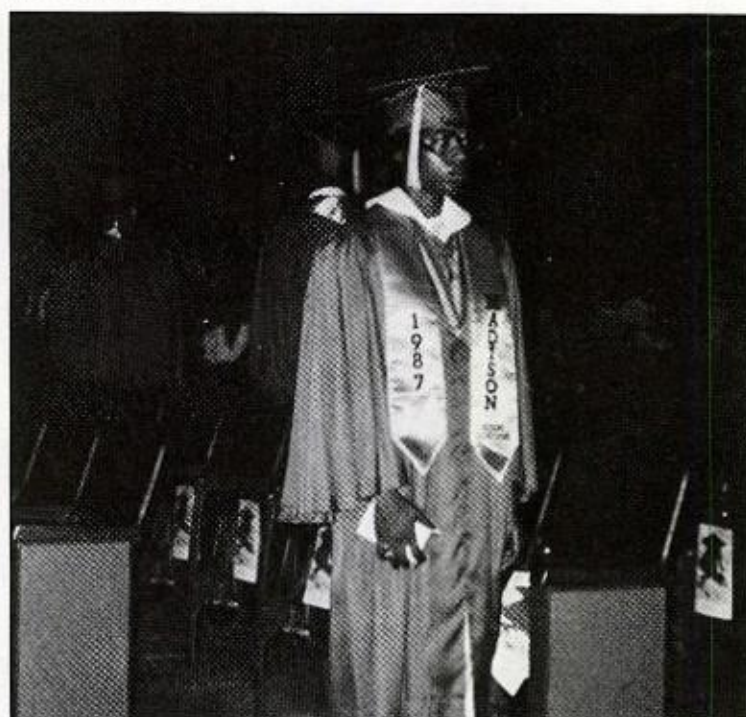

Salutatorian, Barbara Brown, smiles graciously after receiving accolades for her high achievement. The presentation was a part of the Senior Insignia Day assembly.

Top honor for the highest grade-point average in the senior class went to Cortez Gillespie. He proudly wears the valedictorian stole signifying his achievement.

Honorees of the senior class of 1987 line-up on stage to receive recognition for their superior status in areas of scholarship, athletics, and outstanding performance in organizations.

Graduate Tara Jackson leads the class of 1987 into the Skyline High School auditorium to begin Madison's Commencement exercises.

Senior Creed: As seniors of '87, we were challenged to climb to greater heights. We were not restricted to dreams or ideas, but to achieve new expectations in reality. Regardless of the challenges we have met or encountered, "We Have Reached Our Mount Olympus."
